DO No. 1/41/2021-NeVA

Dated: 25<sup>th</sup> July, 2023

Dear Sir,

As you may be aware that all the Legislatures in the country are on the path of becoming paperless by adopting National e-Vidhan Application (NeVA), a project for digitalisation of the Legislatures, implemented by the Ministry of Parliamentary Affairs (MoPA). The project for Uttar Pradesh Legislative Council was sanctioned on 14th March, 2022 and subsequently the house has gone Live in Monsoon Session, 2022.

NeVA Project is funded on the CSS pattern where 60 percent of the project cost is funded by Central Government and rest 40 percent by the State Government. 1<sup>st</sup> and 2<sup>nd</sup> installments from Centre's share were released on 24/03/22 and 28/04/23 respectively.

It is noticed, however, that the State share of the second installment has not been released to Uttar Pradesh Council. As such, funds are not available with the Department of Parliamentary Affairs, Government of Uttar Pradesh and they would be seeking the Supplementary Demands only during the next session of Assembly. This among the other things has hampered the speed of implementation of NeVA Project.

I shall be grateful, if you could personally look into this matter so that this project of National importance doesn't get stalled due to non release of state share, which is considered a pioneer in implementation of NeVA in the state Legislatures.

With regards,

Yours sincerely,

(Gudey Srinivas)

Shri Durga Shanker Mishra,  
Chief Secretary,  
Uttar Pradesh, of Government,
