A two days Workshop on National eVidhan Application (NeVA) was organized in the Punjab Vidhan Sabha with the consent of Rana K.P. Singh, Hon'ble Speaker, Punjab Vidhan Sabha. This workshop was arranged by the Central Project Management Unit (CPMU) of Ministry of Parliamentary Affairs (MoPA), Government of India on 17th October, 2018 and 18th October, 2018.

The workshop was attended by Smt. Shashi Lakhanpal Mishra, Secretary, Punjab Vidhan Sabha, Shri Arvind Pal Singh Sandhu, IAS, Special Secretary to Government of Punjab, Department of Parliamentary Affairs, Shri Surinder Pal, Deputy Secretary, Shri Ram Lok, Under Secretary, all other officers/Branch Heads and staff of Punjab Vidhan Sabha Secretariat (close to about 60 participants) besides representative of Department of Governance Reforms, Punjab and Shri Tarminder Singh of National Informatics Center, Punjab Unit. The Vidhan Sabha Secretariat made it a point to involve all the stakeholders in this workshop so as to prepare the ground for rolling out the NeVA project in a perfect manner in Punjab Vidhan Sabha.

In this workshop, Shri Arpit Tyagi, NeVA Coordinator and Shri Sujeet Kumar, DBA, Member of NeVA Team who were deputed as resource persons by Central Project Management Unit under Ministry of Parliamentary Affairs, Government of India, New Delhi gave a brief of the National eVidhan Application (NeVA).
During Technical Session, they delivered lectures on the subject of Master Data Entry, Question Module, List of Business Module apart from showing live Demo Session for one day Data Entry. At the end of the first day, there was also Experience sharing programme on NeVA by CPMU Team.

The participants of the workshop were informed as to how the digitization, availability and applicability of information could save precious time, money, energy and resources of the Houses and its members and thus increase their efficiency manifold.

Ministry of Parliamentary Affairs which is a Nodal Ministry for this project is rolling out e-Vidhan as NeVA, covering all 40 Houses including Legislatures and Parliament with 5374 Members and thereby putting all of them on a single platform and thus proving the theory of ‘One Nation One Application’ true. This application will lead to faster communication and decision making. This App is user friendly and easy to use not only by the Hon'ble Members of Legislatures but even by a layman. NeVA website and NeVA mobile App is available at iOS and Android platforms.

Rana K.P. Singh, Hon’ble Speaker, Punjab Vidhan Sabha has already shown a keen interest in computerisation and digitization of Punjab Vidhan Sabha and has desired to go ahead with NeVA project at the earliest so as to facilitate the Hon'ble Members of Punjab Vidhan Sabha and public at large with whole information available in their hands. A Committee for Computerisation and Digitization of Punjab Vidhan Sabha is already working under the Chairmanship of the Hon'ble Speaker and the implementation of these projects is under active consideration of the Committee. Punjab is the first State across India to grasp the opportunity to get the workshop held in its Vidhan Sabha.
The resource persons, Shri Arpit Tyagi and Sh. Sujeet Kumar gave a presentation through PPT and Live Demo. They listened all the questions/issues raised by the participants very carefully and resolved them on the spot. They also assured of their cooperation and help in future also.

Vidhan Sabha excels in NeVA project

The Punjab Vidhan Sabha (PVS) has been awarded first prize for entering data in the National Vidhan Application (NeVA) portal in a very short time. Shashi Lakhonpal Mishra, Secretary, Punjab Vidhan Sabha, received the award in New Delhi. Divulging details, a spokesperson of PVS said that a two days workshop on National Vidhan Application (NeVA) was organised by the Ministry of Parliamentary Affairs at Parliament Library Building, New Delhi. The workshop was attended by senior officers from the Secretariat of Lok Sabha, Rajya Sabha, NIC, 31 Legislative Assemblies and seven Legislative Councils from across the country. It was also informed that the Ministry of Parliamentary Affairs, being the nodal Ministry for this project, desires to roll out e-Vidhan as NeVA covering all 40 Houses with 5374 Members including two Houses of Parliament and thereby putting all of them on a single platform and thereby proving the theory of 'one nation, one application.' This application will lead to faster communication and decision making. This App is user friendly and easy to use not only by the Members but even by a layman.
