D.O No. 1/43/2021-NeVA

Dear Chief Secretary,

National e-Vidhan Application (NeVA) is a Mission Mode Project (MMP) of the Government of India to make the functioning of all State Legislatures paperless by transforming them into 'DIGITAL HOUSES' so as to transact entire government business on digital platforms including information exchange/ correspondence with State Government Departments. NeVA has been developed on the theme of 'One Nation-One Application' for the digitalization of all the Legislatures across the country.

The government of India will provide 60% of funding to State Government for the implementation of NeVA in the State Assembly. Accordingly, the fund allocated for the implementation of NeVA in the West Bengal Legislative Assembly is ready for release subject to the signing of the Tripartite Memorandum of Understanding (MOU) and submission of the Detailed Project Report (DPR) by the Assembly. In addition, expenditure on the upgradation/ maintenance/ customization/ localization of the NeVA suite including security clearance, Disaster Recovery site, Meghraj Hosting Charge and capacity building will be borne by the Central Government for life thereby reducing the cost of running the Assembly to the bare minimum and entire saving on this account will accrue to the State Government.

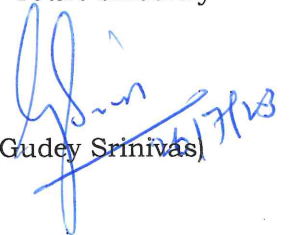

As of date 22 Legislatures have already signed MOU and of these 18 have already got the required funds for onboarding NeVA. Nine State Legislatures have already transformed themselves into Digital Houses by implementing NeVA.

As far as the West Bengal legislative assembly is concerned, it was one of the first few Legislatures in the country, to show keen interest in NeVA but things have not moved further.

I shall therefore be grateful if you could kindly review the status of the NeVA project in your State and get expedited the steps for the implementation of NeVA in the State at the earliest. I would be happy to depute a technical team for making a comprehensive presentation for onboarding NeVA by the State Assembly.

With regards,

Yours sincerely

  
(Gudey Srinivas)
