

BULLETIN PART II

NO. ALA BLTN (PART II) 2022/2023/71

November 24, 2025 ৭ আশ্বিন, ১৪৩২ ভাষ্কৰাব্দ

**INFORMATION RELATING TO THE WINTER
SESSION, 2025**

**ASSAM LEGISLATIVE ASSEMBLY SECRETARIAT
DISPUR, GUWAHATI-781006**

BULLETIN PART -II

(Table Office Branch)

Private Members' Resolutions for 28-11-2025

(As per Ballot priority)

<u>Name of Members</u>	<u>Subject</u>
1) Shri Kamalakhya Dey Purkayastha	<p>"Having regard to the facts that-</p> <p>(i) Katigarg, located in Cachar district, is one of the most remote and geographically disadvantaged regions, characterized by difficult terrain and inadequate transport connectivity;</p> <p>(ii) residents of Katigarg and adjoining areas face serious hardship in travelling to Silchar, the district headquarters, as it is extremely difficult to go there and return on the same day for essential administrative, official or public service-related work; and</p> <p>(iii) the high cost of travel, combined with the economic vulnerability of a large population living below the poverty line, imposes a disproportionate burden on the people of this region, affecting their access to government services and developmental opportunities;</p> <p>this House urges the Government-</p> <p>(a) to consider declaring Katigarg as a Co-District at the earliest; and</p> <p>(b) to take all necessary administrative steps to ensure improved access to public services, enhanced connectivity, and better public convenience for the people of the wider region."</p>
2) Shri Debabrata Saikia Shri Diganta Barman	<p>"This House urges upon the Government-</p> <p>(i) to accord priority to the development of allied agricultural sectors and to take effective steps to address the long-standing challenges faced by the tea industry in Assam, with a view to strengthening the State's overall economic foundation;</p> <p>(ii) to take all necessary measures to increase farmers' income, enhance agricultural and plantation productivity and address the persistent problems of tea garden workers including the provision of land pattas to landless tea workers; and</p> <p>(iii) to consider introducing a special financial package for the overall development and welfare of all tea workers of the State."</p>

**3) Shri Jakir Hussain
Sikdar**

"This House urges upon the Government-

(i) to take effective measures to address the rising prevalence of cancer in the Northeastern region, particularly in Assam, where the number of cancer patients is increasing at a concerning rate;

(ii) to strengthen and expand advanced cancer-care facilities across the State, with special emphasis on early detection, timely diagnosis and accessible treatment including medicine supply; and

(iii) to make appropriate arrangements for providing completely free treatment to cancer patients, so that families affected by this life-threatening disease are protected from severe financial distress and long-term economic hardship."

**4) Alhaj Abdur Rashid
Mandal**

"Having regard to the facts that-

(i) since 1947, Assam has repeatedly faced devastating floods, riverbank erosion, landslides, ethnic clashes and other natural and social disruptions, resulting in the displacement of lakhs of families across the State;

(ii) about 1,000 villages have been completely or partially affected during these repeated events, causing countless families to become landless and economically vulnerable;

(iii) while some of these landless families have been settled, allotted land, or rehabilitated by the Government from time to time, a large number of families continue to remain self-settled on Government khas land, Pasture Grazing Reserve (PGR), Village Grazing Reserve (VGR), Char areas and other vulnerable locations, many of whom have also faced evictions in recent years; and

(iv) the absence of a permanent, structured, and compassionate rehabilitation framework continues to create hardship for erosion-affected and displaced legitimate citizens residing in Assam; this House urges upon the Government-

(a) to formulate and implement a comprehensive policy for the permanent resettlement of landless and erosion-affected legitimate Indian citizens residing in Assam;

(b) to provide such families with secure land allotment or settlement, strictly in accordance with Government rules and norms; and

(c) to ensure that rehabilitation measures promote long-term stability, socio-economic development, and human dignity for all affected families."

**5) Shri Abdul Batin
Khandakar**

"This House urges upon the Government to take necessary steps for the construction of RCC bridges over the River Manas and other rivers within the Abhayapuri North Legislative Assembly Constituency (renamed as Srijangram LAC after delimitation), in order to improve connectivity, ensure public safety and facilitate socio-economic development in the region."
