Sir,

Will The School Education Minister be pleased to state :

I would like to draw the attention of this august house towards a matter of urgent public attention towards the deteriorating condition of the Indra Gandhi university rewari. The university is in a very bad state with most of the professional courses being scrapped down. Also the condition of the building are also in very bad condition and require immediate attention.

Government should issue a statement on the floor of the house.

**Your Faithfully**
