Sir,

Will The Chief Minister be pleased to state :

Sir,

Through the present notice I want to call the attention of this August house to the grave injustice and inequity sought to be perpetrated on Farmers and general public of Haryana through the agreement between Governments of Rajasthan and Haryana dated 17-02-2024. A perusal of para 136. of the speech by Chief Minister Haryana shows that it has been envisaged to lay down pipeline for supply of excess water to Rajasthan. Already the farmers of Haryana are suffering grave injustice on account of inequitable distribution of Ravi-Beas waters-as against a share of 3.5 MAF recommended by ERADI commission Haryana is getting 1.6 to 1.8 MAF water. Rajasthan has blocked water from Krishnawati, Dohan and Sahibi rivers to Haryana on Narnaul side. Districts of Mahendragarh, Bhiwani, Charkhi Dadri and parts of Hisar are facing acute water shortage and there would be no excess water after meeting requirements of these regions of Haryana. If at all any pipelines are to be laid, the same should be laid for Districts of Mahendragarh, Bhiwani, Charkhi Dadri and parts of Hisar. There will be resentment and uprising amongst general Public and farmers of Haryana against such a decision.

This is matter of utmost public import, the same may be taken up for discussion, and the Minister concerned may be asked to make a statement on the floor of house as per procedure.

Your Faithfully
