Sir,
following starred question for the answer on
*. Energy Minister be pleased to state :

* Will the Hon'ble Power Minister pleased to state that :

(i) Is it fact that Fuel Surcharge Adjustment (FSA) charges are levied on the consumers whereas power is not being generated in the State, only being outsourced from the other state?

(ii) If so why additional charges of Rs 0.47 per unit in the name of FSA which was supposed to be charged when State Government will itself generate the power ?
