MANAGEMENT DISCUSSION & ANALYSIS REPORT

i) **Term Lending Institution**

You are aware that the Haryana Financial Corporation was established under the State Financial Corporations Act, 1951 as a State level development financial institution to provide financial assistance to the industrial units and for other activities as per section 25 of the SFCs Act, 1951 relating thereto to the small scale sectors set up in the State of Haryana in the year 1967.

ii) **Risks, Threats and Concerns**

Risk means uncertainties about events and their outcomes that could have a material impact on the performance and projections of the Corporation. The risk is inherent in every business. We have already informed to the shareholders in the previous report that with the reforms of the financial sector, the traditional area have been entered into by new entrants i.e. Banks and Non-Banking Financial Companies (NBFCs) who have access to cheap source of funds. Accordingly, the Corporation was facing stiff competition from NBFCs and Banks. In view of the above, the Corporation could not withstand the competition from these institutions due to operational limitations and accordingly stopped fresh business/ sanction of the loans since May, 2010.

It was already informed to the shareholders in the previous Annual General Meetings that the proposal for liquidation/winding up of the Corporation has been forwarded to the State Govt. and the State Govt. has appointed MD, HSIIDC as the Nodal Officer for commencing and completing the liquidation proceedings.

In addition to above, there are a number of suit filed cases (pension, arrears of 6th pay commission to staff and other staff/borrowers cases) pending in the courts which will also affect its profitability.

iii) **Corporation's Performance**

You are aware that the Corporation's main thrust is now recovery of its loans especially the bad debts. The Corporation introduced new One Time Settlement Schemes during the year to effect recovery from NPAs. The schemes were valid upto 31.03.2022. During the year a sum of Rs. 0.77 lakh has been recovered.

iv) **Opportunities/Resources**

You are aware that the Corporation has since repaid entire outstanding refinance under settlement to SIDBI. As already informed the Corporation has also repaid all the bonds series due from time to time. So, there is no outstanding loans against the Corporation or say debt free Corporation. There is no interest liability in this regard.

The Corporation has a number of NPA cases. There are opportunities that some of them may come under settlement scheme which tantamounts to recovery for the Corporation.

v) **Internal Control System**

The Corporation is under winding up process. Therefore, due to paucity of staff, the internal audit is limited to only certain payments above specified amount.

vi) **Human Resources**

With the retirement of the staff, the staff strength has been reduced from 24 as on 31.03.2021 to 19 as on 31.03.2022. The Corporation is making its efforts to reduce the administrative burden and at the same time motivate the existing staff and get support from them to discharge their responsibilities.

Certain statements made in the "Management Discussion and Analysis Report" might be considered forward looking. These statements are subject to certain risks and actual result may differ.

INDEPENDENT AUDITORS' REPORT

The Members,
Haryana Financial Corporation
Chandigarh

Report on the Financial Statements

We have audited the accompanying financial statements of Haryana Financial Corporation (HFC), which comprise of the **Balance Sheet as at 31st March, 2022** and the Statement of Profit and Loss and Cash Flow statement for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

1. Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corporation in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

2. Management's responsibility for the Financial Statements

The Corporation's Management is responsible for the preparation and presentation of these Financial Statements that give a true and fair view of the financial position, financial performance and the cash flows of the Corporation in accordance with the accounting standards and principles generally accepted in India and as per the requirements of Small Industries Development Bank of India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the Corporation and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies. making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by Institute of Chartered Accountants of India and provisions of section 37 of the State Financial Corporations Act 1951 as amended by SFCs (Amendment) Act 2000. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedure selected depend upon the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Corporation's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Corporation has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Audit opinion on the financial statements. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

4. Emphasis of Matter

We draw attention to the Paragraph B of Schedule 'Q' (Notes on Accounts) in regard to Contingent Liabilities as under :

- a) Note no. B(1) regarding contingent liability in respect of units disposed off but in dispute-amount indeterminate.
- b) Note no. B (2) regarding Liability in respect of claim lodged against the corporation by ex-employees/pensioners to the extent of Rs.4.42 crores (approx.) not acknowledged and other court cases /appeals filed by the employees/ex-employees/pensioners against which amount is indeterminate.

There is a Contingent liability amounting to Rs.123.49 lacs in respect of claims lodged by Loanees/Auction purchasers. The Corporation is generally unable to reasonably estimate possible loss for proceedings or disputes other than estimated.

Our opinion is not modified in respect of these matter.

5. Information other than the Financial Statements and Auditor's Report thereon

The Corporation's Board of Directors and Management is responsible for the preparation of the other information. The other information comprises the information included in the Corporation's Annual Report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact and we have nothing to report in this regard.

6. Material Uncertainty Related to Going Concern

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the corporation's financial reporting process.

We draw attention to the Paragraph C of Schedule 'Q' (Notes on Accounts) which discloses that the Corporation has recommended to the State Govt. for winding up/liquidation w/s 45 of SFCs Act, 1951. Further the State Govt. has appointed Managing Director HSIIDC as Nodal Officer for completing the formalities of winding up. The board of directors have constituted a committee under the chairmanship of Director of Industries & Commerce, Haryana for the winding up purpose but the report of committee is yet awaited. These events, conditions and matters indicate that a material uncertainty exists that may cast significant doubt on the Corporation's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

7. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true & fair view in conformity with the accounting principles laid down by SIDBI for SFCs and generally accepted in India :

- In the case of the Statement of Profit & Loss Account, of the Profit of the Corporation for the year ended on that date, and
- In the case of the Cash Flow Statement of the cash flows for the year ended on that date.

8. Report on Other Legal and Regulatory Requirements
