Sh. DHARAM SINGH CHHOKER (Samalkha):

Will the Deputy Chief Minister be pleased to state whether there is any proposal under consideration of the Government to construct an underpass at the railway crossing on the road leading towards village Naryana in Samalkha city; if so, the details thereof?

DUSHYANT CHAUTALA, DEPUTY CHIEF MINISTER, HARYANA

Yes, Sir. The work of Road Under Bridge(RUB) at Railways Crossing LC-43 stands administratively approved by the Government for Rs.6.81 Crore. It will be taken up once the ongoing construction at anyone of the three adjacent level crossings i.e. LC-44, LC-45 or LC-47 gets completed.

EXECUTIVE SUMMARY

A proposal to construct Road Under Bridge(RUB) at Railway crossing LC-43 on the road leading to village Naryana in Samalkha city (Road ID 8269) has been administratively approved by the Government vide ACSPW memo no. 06/06/2021-2B&R (W) dated 15.09.2021. Accordingly, tender for the proposed work was called on 10.12.2021 and same was received on 30.12.2021. It is brought out that the construction work of 3 no. ROBs/RUBs at adjacent level crossing nos LC-44 (undertaken by HSRDC through EE, PD, Panipat), LC-45 (undertaken by Railways) and LC-47(undertaken by HSRDC through EE, PD, Panipat) is going on at present. The only connectivity for the commuters of nearby villagers of Manana, Prahladpur Khalila and Diwana to access the G.T. Road is through level crossing no. 43 only.

Due to the above reason, the respective Gram Panchayats had requested HSRDC to start the construction work of RUB at LC-43 only after the completion of the construction of above said ROBs/RUBs. As and when the construction work of ROBs/RUBs at one of the above mentioned level crossings will be completed, the construction work of RUB at LC-43 will be started by HSRDC accordingly.
