Urban Local Bodies Minister

Will the Urban Local Bodies Minister be pleased to state whether it is a fact that the Government has not made any permanent solution to meet out the problem of damaged streets and sewerage over flow in Bal Kalyan School Pocket in Ward No-5 in N.I.T. Faridabad Assembly Constituency so far; if so, the time by which the said problems are likely to be solved togetherwith the time by which the streets near Bal Kalyan School are likely to be constructed ?
