*14/15/247

Sh. SANJAY SINGH(Sohna)

Public Health Engineering Minister

Will the Public Health Engineering Minister be pleased to state:-

- a) whether it is a fact that the pipelines of drinking water are being laid down by the Public Health in Sohna Assembly Constituency due to which the passages of villages have been damaged as the repairing work of the said passages are not being executed in time and as a result of which the residents of villages have to face the problems during transmigration; and
- b) if so, the time by which the said passages are likely to be repaired?
