Deputy Chief Minister

Will the Deputy Chief Minister be pleased to state:-

a) whether it is a fact that the construction work of an auditorium was started in 2018 in Julana but it has been stopped for the past some time, as result of which the under construction building is being dilapidated, for which the administrative officers have been informed many times but no action has been taken in this regard; and

b) if so, the time by which the construction work of the said under constructed building is likely to be completed?
