To Solve the Problem of Water Accumulation

11/07/2023

11/07/2023

\*14/16/39 Sh. BHARAT BHUSHAN BATRA (Rohtak)

Public Health Engineering Minister

Will the Public Health Engineering Minister be pleased to state:-

- a) whether it is a fact that the water accumulated (3-3.5 feet) on the Chhotu Ram Chowk in the rainy season and it also entered in the houses of the nearby colonies and remain accumulated therein for hours;
- b) whether any permanent arrangement has been made by the Government to solve the abovesaid problem so that water may not accumulated therein and may not enter in the houses; and
- c) whether the Ladwala pond (Appu Ghar) has been transferred from the Municipal Corporation to the Public Health Engineering Department in order to solve this problem togetherwith the details thereof?
