To Remove the High-Voltage Electric Lines

24/07/2023

24/07/2023

*14/16/126 Dr. ABHE SINGH YADAV(Nangal Chaudhry)

Energy Minister

Will the Energy Minister be pleased to state:-

- a) the provisions of law under which electric lines are being erected over the residential plots in the rural and urban areas of the State;
- b) whether merely by erecting the electricity line over a residential plot, the owner loses his/her right to construct a residence over this plot;
- c) whether he/she forgoes his/her right to personal security from electric accidents merely due to the fact that power department may have some right to erect lines under some law;
- d) whether it is not a constant danger to life and property of the persons who reside in the residences over which the high-voltage electric lines are passing;
- e) would the department be kind and sensitive enough to feel the pinch of this constant danger to the life of all such people and be pleased to remove all these overhead lines from such residential houses; and
- f) if so, the duration by which this work shall be completed?
