To Increase the Capacity of Water Works

28/07/2023

28/07/2023

*14/16/210 Shri CHIRANJEEV RAO (Rewari)

Public Health Engineering Minister

Will the Public Health Engineering Minister be pleased to state:-

a) whether there is rationing of drinking water in Rewari city as the canal-based drinking water scheme has less capacity and JLN canal water is being supplied after 40 days; and

b) if so, whether there is any proposal under consideration of the Government to construct more water tanks in village Chandawas?
