\*14/16/231 Smt. RENU BALA(Sadhaura)

Deputy Chief Minister

Will the Deputy Chief Minister be pleased to state:-

a) the reasons for which wheat flour is being distributed to the BPL families instead of the wheat whereas the demand of the people of the BPL families is for the distribution of the wheat instead of the flour; and

b) if so, whether there is any proposal under consideration of the Government to distribute the wheat to the BPL Families togetherwith the time by which its distribution is likely to be started ?
