Heritage & Tourism Minister

Will the Heritage & Tourism Minister be pleased to state whether the Mahabharat Theme Park is to be constructed in Jyotisar Teerath, Kurukshetra for which the budget of Rs. 205 crores was passed by the Government in the budget session of the year 2021-22 but the design of 6 Bhawans, Parks, Statues, Garden and other construction works in said theme park was not being prepared so far; if so, the reasons for which the construction work has not been started so far?
