Mines & Geology Minister

Will the Mines and Geology Minister be pleased to state:-

- a) the total number of screening plants related to mining material working in State;
- b) whether all the said plants are following the instructions/guidelines of the Haryana State Pollution Control Board; and
- c) if not, the number of screening plants against which the action has been taken by the Board/Government in the last four years togetherwith the year-wise details of the said action taken thereon?
