Public Health Engineering Minister

Will the Public Health Engineering Minister be pleased to state:-

- a) whether the samples of drinking water have been tested in State after the flood this year;
- b) if so, the number of places from where the samples of water were collected togetherwith the number of the water samples failed alongwith the district-wise details thereof; and
- c) the steps taken by the Government to supply the clean drinking water where the samples were failed togetherwith the details thereof?
