Will the Chief Minister be pleased to state:-

a) whether it is a fact that there are 40-50 villages adjacent to pavement of the Agra Canal (from Kithwari bridge of Azizabad bridge) in Palwal Assembly Constituency and the people have to use a long distanced/way for transmigration duet to the bad condition of the said pavement for this the estimate of Rs. 20 crore was sent by the Uttar Pradesh Irrigation Department; and

b) if so, whether there is any proposal under consideration of the Government to metal the said pavement so that the lakhs of people of Banslats villages and other villages will take relief in transmigration and free from traffic Jam togetherwith the time by which the said pavement is likely to be metalled?
