श्री लक्ष्मण नापा(रतिया)

कृषि तथा किसान कल्याण मंत्री

Will the Agriculture and Farming and Dairying Minister be pleased to state:-

a) whether it is a fact that Ratio is a rich area in Paddy crop in which the paddy is mostly cultivated but farmers are forced to turn the residuals of crops due to not having any stubble paddy management centre here as a result of which the common man are forced to face a great difficulties; and

b) whether there is any proposal under consideration of the Government to open/ setup a stubble management centre to get rid of difficulties of the farmer and common people and will get the opportunities of employment available as there is no industry in Ratio constituency; if so, the time by which stubble management centre is likely to be setup; if no, the detail of the provision to execute the said work?
