14/16/353 Sh. PARDEEP CHAUDHRY (Kalka)

Chief Minister

Will the Chief Minister be pleased to state whether it is a fact that cracks have been developed in the houses of village Sirmada, Thana (Harijan Basti) and Umri of Block Morni in Kalka Assembly Constituency due to land/hill erosion caused by the Ghaggar river; if so, the steps taken or likely to be taken by the Government to protect the residents of said villages from land erosion by Ghaggar river?
