To Replace the Old Electric AP Supply Line and old Iron Poles

29/01/2024

06/02/2024

*14/18/141 Dr. ABHE SINGH YADAV(Nangal Chaudhry)

Energy Minister

Will the Energy Minister be pleased to state:-

- a) whether there is any policy under consideration of the Government to connect the extended Abadi of the village in contiguity with the main habitation primarily extended outside the village phirni and on the village approach roads in Mahendergarh district with domestic supply line free of cost;
- b) whether there is any provision to replace the heavily spread bulk of cables of domestic supply in many village streets by insulated electric lines to avoid hazardous and frequent short-circuiting and blasting in these old cables spreading in the densely populated areas of the villages in Mahendergarh district;
- c) whether there is any policy under consideration of the Government to replace old electric AP supply line and very old iron poles which are resulting in frequent power breakdowns and multiple problems to the farmers in Mahendergarh district; and
- d) if so, the time by which all of the abovesaid works are likely to be completed?
