Reasons for Difference in Construction Material

30/01/2024

12/02/2024

*14/18/187

Sh. ISHWAR SINGH(Guhla)

Deputy Chief Minister

Will the Deputy Chief Minister be pleased to state:-

a) whether it is fact that the main roads i.e. Cheeka to Kaithal, Cheeka to Kharka and Cheeka to Bhagol-Pehowa road of Guhla Assembly Constituency have been constructed in last month in which some portion of Cheeka to Kaithal road is in Guhla Assembly Constituency and some is in Kaithal Assembly Constituency same as some portion of Cheeka Pehowa road is in Gulha Assembly Constituency and some is in Pehowa Assembly Constituency;

b) if so, whether there it is also a fact that the road falling under the area of Guhla Assembly Constituency has been constructed with 40 M.M construction material (Bajri, Gaska, Tarcoal) whereas the roads falling under the Kaithal and Pehowa Assembly Constituencies have been constructed with 80 mm Material;

c) if so, the reasons for such differences in construction of roads as both roads are State Highway (SH-6, SH-11)?
