Sh. KULDEEP VATS(Badli)

Will the School Education Minister be pleased to state:-

a) whether it is a fact that the building of Shaheed Ankur Government middle school in village Ukhalchana (Kot) has been declared as condemn and after it the process of inviting tender for the construction of new building has been completed whereas no tender has been invited for destroying and removing the old building as new building may not be constructed before removing/destroying the old building; and

b) if so, the time by which the process of inviting the tender of removing the old building after destroying it will start so that the construction work may be started and study of children may run/function smoothly togetherwith the details thereof?
