Development and Panchayats Minister

Will the Development and Panchayats Minister be pleased to state:-

a) whether it is a fact that the water works in the rural areas have been handed over to the Panchayat Department and the Panchayats have to face a lot of problems for the maintenance of the said water works like technical faults and electricity supply etc; and

b) if so, whether there is any proposal under consideration of the Government to hand over the abovesaid water works again to the Public Health Engineering Department togetherwith the details thereof?
