Shri Manohar Lal, Chief Minister Haryana

Sir, The construction work of 45 meter wide road, to connect HUDA (now HSVP) Sectors-2, 12, 14 and other sectors of Palwal, has been started in parts by constructing 700 meter portion of dividing road in between Sector-2 & 8 in the year 2002 and 900 meter portion of dividing road in between Sector-9 & 12, Palwal in the year 2013. The construction work of balance 45 meter wide road falling in between Sector-8 & 12A, 11 & 12, 11 & 13 and Sector-11 & 14 , Palwal has not yet been taken up because the land for the same has not been acquired so far.

Thus, at present, there is no proposal under consideration of HSVP to construct the balance portion of above said road, until the land acquisition issue gets resolved.
