“Will the Chief Minister be pleased to state whether it is a fact that there was a proposal of the Government to shift all the auto markets like Subhash road, Hisar road, Mal Godown road and Kathmandi after developing the Sector-18, 18A, Sector-21 & 21A in Rohtak, if so, the reasons for which the said auto markets have not been shifted so far together with the details thereof?”

MANOHAR LAL, CHIEF MINISTER, HARYANA

Yes, sir.

Land was acquired in Sector-18 & 18A, Rohtak for establishment of Transport Nagar and land was also acquired for shifting of Kath Mandi in Sector-21, Rohtak. The HSVP has made efforts to shift these shopkeepers through process of limited auction. In 2021, total 9 shops/kiosks were sold through open auction in these sectors(8 nos. in Sector-18-18A, Transport Nagar and 1 no. in Sector-21-P, Kath Mandi, Rohtak). Continuous efforts are being made to ensure the shifting and make these sectors functional.
