

Present Status of Construction of Medical College

***43** **(*14/16/499) Sh. Sombir (Dadri):** Will the Medical Education & Research Minister be pleased to state the present status of construction of Medical Education in Dadri togetherwith the time by which it is likely to be constructed alongwith the details thereof?

Reply

**Anil Vij, Medical Education and Research Minister,
Haryana.**

During Budget Session 2022-23, Hon'ble Chief Minister has announced to establish Government Medical College at District Charkhi-Dadri. The Department is in process of finalization of land for establishment of Government Medical College. After finalization of land, the Executing Agency will be appointed for execution of the project.
