- b) if so, the time by which these are likely to be reconstructed?

Anil Vij, Health Minister

- a) Yes, Sir.
- b) 04 acres of land is available for construction of Primary Health Centre at village Satrod Kalan. Approved drawing for the PHC has been shared with PWD (B&R) for preparation of rough cost estimate.

Land for construction of Primary Health Centre in village Ladwa has been leased to Health Department by Development and Panchayats Department on 12.07.2023 and site plan for preparing the drawing has been requested from PWD (B&R).

Construction work for both will commence after necessary approvals and is expected to take approximately 02 years to complete.
