Dr. KRISHAN LAL MIDDHA (Jind):

Will the Public Health Engineering Minister be pleased to state:-

- a) whether there is any proposal under consideration of the Government to construct a 5 MLD sewerage treatment plant keeping in view of the increasing population of Jind city; if so, the time by which it is likely to be constructed; and
- b) the action taken by the Agency and Department on bursting of tank in under construction STP of 15 MLD togetherwith the details thereof?

**DR. BANWARI LAL,
PUBLIC HEALTH ENGINEERING MINISTER,
HARYANA**

- a) There is a proposal under consideration for construction of Sewage Treatment Plant for Jind City under AMRUT 2.0. The work is likely to be completed within 2 years after the administrative approval of the proposal.
- b) The work of upgradation of existing 15 MLD STP Jind City is in progress and during the execution of the work at site, the walls of the tank (under construction) bursted due to some defects. The agency is reconstructing the said structure at its own cost. The work is likely to be completed by 31.03.2023.
