Procedure for the holding of the ballot

(See Rule 30)

A ballot shall be held for each day on which the business other than Government business has precedence. Not less than fourteen days or such period as the Speaker may direct before each such day the Secretary shall cause to be placed in the Assembly of a numbered list. There shall be one such list in respect of Bills to be introduced and another in respect of resolutions.

The list shall be kept for two days and on those days during office hours any member who has given notice of a Bill or a resolution may have his or her name entered—

(1) in the case of ballot for resolutions, against one number only; and

(2) in the case of a ballot for Bills against one number for each Bill of which he or she had been notice up to the number of three.

Slips of paper bearing the numbers against which entries have been made on the numbered list shall be folded and placed in a box. A Clerk having shuffled the slips of paper shall at hazard take a slip out of the box and read out the number thereon. The Secretary shall announce the name of the member to whom that number is attached on the numbered list. This process will be repeated till all the numbers in respect of Bills or ten numbers in respect of resolutions have been drawn.

The order in which the numbers have been drawn shall determine the order in which members shall be placed on the priority list.

A member who has secured a place on the priority list may set down against it for the day with reference to which the ballot has been held any Bill or any resolution as the case may be of which he or she has given or intends to give notice as required by the rules provided that he or she shall specify such Bill or resolution before or at the time the ballot is held.

The dates in regard to numbered list, and the time and place of ballot, shall be communicated to Members.
