CHAPTER II

GUIDING PRINCIPLES OF THE ACT

3. **Guiding Principles.**—This Act shall be administered and all powers exercised there under in accordance with the following guiding principles; namely :—

- (a) **Permission by Exception:**—An enterprise may undertake any activity unless such activity is expressly prohibited by law. No prior permission, approval, or restriction shall be imposed except where justified by law in furtherance of a legitimate public interest.
- (b) **One State Principle:**—For the purposes of regulatory compliance, the Government shall function as a single entity. No authority shall require duplication of information, documentation, approvals, or processes that are available with, or have already been furnished to, any other authority of the Union territory of Jammu and Kashmir.
- (c) **Proportionality and Risk-based Regulation:**—The nature, intensity, frequency, and form of regulatory scrutiny, compliance, inspection, and enforcement shall not exceed what is necessary to address the material risk posed by the activity to legitimate public interests.
- (d) **Reliance and Certainty:**—An enterprise shall be entitled to rely, in good faith, on approvals, deemed approvals, registrations, certificates, and representations issued or made by the Government or its authorities, and shall not be penalized for acting on such reliance, except where such approval or representation was obtained by fraud, material misstatement, or material suppression of facts.

- (e) **Transparency and Predictability:-** All regulatory requirements, procedures, documentation, fees, timelines, service standards, and grounds for approval, rejection, relaxation, or enforcement shall be published in advance, easily accessible, and applied as published. Any requirement not so published shall not be enforceable against an enterprise.
- (f) **Presumption of Grant on Lapse of Time:-** Where an application, declaration, or request made under this Act is not disposed of within the prescribed time, the enterprise shall, on expiry of that time, be entitled, as of right, to the relief, permission, registration, license, service, or other outcome as sought in such application, declaration, or request, and shall not be prejudiced by any silence, in action, or delay on the part of any authority.
- (g) **Economy, Equity and Environment.-** A framework has been provided for sustainable and inclusive development by ensuring economic growth, fairness and inclusion while also ensuring environmental and ecological sustainability.

4. Mandatory Duties in Exercise of Powers.—(1) All powers under this Act, including powers relating to—

- (a) approvals and deemed approvals ;
- (b) relaxations and exemptions ;
- (c) inspection controls and moratoriums ;
- (d) modification of Schedules ;
- (e) overriding or harmonisation of laws ;

shall be exercised in accordance with the guiding principles specified in section 3.

(2) Every order, notification, or decision under this Act that—

- (a) grants or refuses an approval ;
- (b) relaxes or overrides a regulatory requirement ;
- (c) initiates coercive action notwithstanding a moratorium, shall record brief reasons demonstrating compliance with the principles in section 3.

(3) No Competent Authority shall—

- (a) require submission of information already available with the Government; or
- (b) impose compliance requirements not published on the designated single-window portal.

(4) Where a power under this Act admits of more than one lawful outcome, the authority shall prefer the outcome that—

- (a) imposes the least regulatory burden; and
- (b) adequately protects interests of the general public and not merely sectional or individual interests ;

and shall record in writing the reasons for its satisfaction that the outcome so preferred complies with clauses (a) and (b).

(5) Failure to comply with this section shall render the decision liable to review or appeal as per the provisions of this Act.

STATEMENT OF OBJECTS AND REASONS

1. The Government of India has undertaken the exercise to Reduce the compliance burden on businesses and citizens by making regulatory processes simpler, faster and more efficient without compromising essential safeguards. In this regard, a coordinated mechanism through Cabinet Secretariat, Government of India has been adopted to monitor the implementation of identified reforms (Priority Areas) across States and Union Territories. Accordingly, the Government of Jammu and Kashmir has been implementing the identified Priority Areas through simplification of procedures, digitalization of services, decriminalization of minor offences and elimination of redundant legal provisions.
2. Under Phase-I of the Deregulation and Reducing Compliance initiative, the Government of Jammu and Kashmir has implemented 20 reforms out of the 23 Priority Areas identified by the Government of India. Of the remaining three Priority Areas, two (02) were found to be not applicable to the Union Territory of Jammu and Kashmir (due to notification of New Labour Codes issued by the Government of India), while the remaining one (01) (pertaining to third party inspection by Fire and Emergency Services) was examined in detail and it was decided not to implement.
3. Under De-regulation Phase-2, Government of India has identified 23 key priority areas for implementation to achieve the objective of Viksit Bharat. In order to implement these priority areas, the Jammu and Kashmir Ease of Doing Business Bill, 2026 has been prepared in consultation with concerned departments. After its enactment, 12 priority areas fixed by Government of India shall be implemented in the Jammu and Kashmir. There are 06 priority areas and one optional priority area which are more or less regulated under different Acts and there would be requirement of going for approval of Legislature for seven times. This Bill will consolidate all proposals for single Cabinet approval and single approval of Legislature. The Bill aims at providing ease of doing business and ease of living and basic objective of the Bill are as follows :—
 - (a) **Permission by Exception.**—An enterprise may undertake any activity unless such activity is expressly prohibited by law. No prior permission, approval, or restriction shall be imposed except where justified by law in furtherance of a legitimate public interest.
 - (b) **One State Principle.**—For the purposes of regulatory compliance, the Government shall function as a single entity.

No authority shall require duplication of information, documentation, approvals, or processes that are available with, or have already been furnished to, any other authority of the Union Territory of Jammu and Kashmir.

- (c) **Proportionality and Risk-based Regulation.**—The nature, intensity, frequency, and form of regulatory scrutiny, compliance, inspection, and enforcement shall not exceed what is necessary to address the material risk posed by the activity to legitimate public interests.
 - (d) **Reliance and Certainty.**—An enterprise shall be entitled to rely, in good faith, on approvals, deemed approvals, registrations, certificates, and representations issued or made by the Government or its authorities, and shall not be penalized for acting on such reliance, except where such approval or representation was obtained by fraud, material misstatement, or material suppression of facts.
 - (e) **Transparency and Predictability.**—All regulatory requirements, procedures, documentation, fees, timelines, service standards, and grounds for approval, rejection, relaxation, or enforcement shall be published in advance, easily accessible, and applied as published. Any requirement not so published shall not be enforceable against an enterprise.
 - (f) **Presumption of Grant on Lapse of Time.**—Where an application, declaration, or request made under this Act is not disposed of within the prescribed time, the enterprise shall, on expiry of that time, be entitled, as of right, to the relief, permission, registration, license, service, or other outcome as sought in such application, declaration, or request, and shall not be prejudiced by any silence, inaction, or delay on the part of any authority.
4. This Bill if enacted would enable the enterprise to plan, invest and work with confidence in Jammu and Kashmir and shall foster Ease of Doing Business and Ease of Living in a manner that generates employments, attracts investments and sustains long term economic growth in Jammu and Kashmir.

MEMORANDUM REGARDIUNG DELEGATED LEGISLATION

1. Clause 36 of the Bill provides that the Government may by notification in the official Gazette make rules to carry out the proposed legislation. Besides there are also certain matters in the proposed legislation which are to be prescribed by the rules.
2. The matters in respect of which rules may be made are matters of procedure or administrative detail and it is not practicable to provide for them in the Bill itself. The delegation of legislative powers is, therefore, of a normal character.
