ANSWER

**MINISTER OF MINORITY AFFAIRS
(SHRI MUKHTAR ABBAS NAQVI)**

(a) to (e): A Statement is laid on the Table of the House.

Statement referred to in reply to parts (a) to (C) of Lok Sabha Starred Question No. *16 asked by Shri S.R. Vijaykumar, Dr. Heena Vijaykumar Gavit regarding Pradhan Mantri Jan Vikas Karyakram.

(a) & (b): Yes Madam, the Government has approved the restructuring of Multi-sectoral Development Programme(MsDP) for its implementation during remaining period of 14th Finance Commission. The restructured Programme is now called as Pradhan Mantri Jan Vikas Karyakram(PMJKV) and will be continued during the remaining period of 14th Finance Commission. The Programme aims to ensure that benefits of the scheme reach to larger number of targeted communities and thereby address their concerns and mitigate the problems faced by the targeted communities especially women, children, students and youths. In the revised programme, 80% of the resources will be earmarked for projects related to education, health and skill development and atleast 33 to 40% of resources will be specifically allocated for women centric projects. The programme has been widened to include Central Government Organizations as implementing agencies in addition to States Govt./UT Administrations. The area unit of the programme has also been expanded by inclusion of Minority Concentration District(MCD) Headquarters and the list of Minority Concentration Blocks(MCBs)/Minority Concentration Towns(MCTs) has been revised based on Census, 2011. The budgetary allocation sanctioned for implementation of the programme during the remaining period of 14th Finance Commission beyond 12th Five Year plan is as under:-

Year	2017-18	2018-19	2019-20
Funds required	1200.00	1320.00	1452.00
Total for 3 years(in Rs. Crores)			3972.00

(c) Yes, Madam. Earlier only those Towns which were found backward in terms of both Basic Amenities and Socio-economic parameters, were identified as MCTs. As per revised programme, the Towns which are found backward in either or both of the criteria have been identified as MCTs. In case of Cluster of Villages, the cutoff percentage for population of Minority Communities have been lowered to 25% from 50%. Contiguous villages fulfilling the criteria of identification and falling within 5 kilometer radius will be selected as Cluster of Villages under PMJKV. The State-wise details of the Minority Concentration Areas(MCAs) including MCD Hqrs, MCBs & MCTs are enclosed at Annexure-I.

(d) Yes, Madam. This programme has made substantial progress in achieving its target for the identified areas and has created useful infrastructures /assets in the identified MCAs. The assets created under the programme are social assets and available to all members of the society. The details of the projects created under the programme including assets sanctioned during last four years are enclosed at Annexure-II.

(e) The programme has a robust mechanism for publicity and monitoring of projects. Besides the normal chain of monitoring through the District Level Committee, Block Level Committee and State Level Committee including social audits, this Ministry continuously reviews the progress of implementation through meetings, inspections, and third party monitors. Nationwide advertisement have recently been published for the restructured scheme. The monitoring mechanism has been further strengthened by inclusion of provisions for online module, Geo-tagging of assets and information on DISHA dashboard.

Annexure referred in reply to part (d) of Lok Sabha Starred Question No. 16 for 18.07.2018 asked by Shri S.R. Vijayakumar and Dr. Heena Vijay Kumar Gavit, MPs, regarding Pradhan Mantri Jan Vikas Karyakram.
