

GOVERNMENT OF INDIA
MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE
LOK SABHA
UNSTARRED QUESTION NO.932
TO BE ANSWERED ON 08.02.2019

Development of Ayad River

932. SHRI ARJUN LAL MEENA:

Will the Minister of ENVIRONMENT, FOREST AND CLIMATE CHANGE be pleased to state:

- (a) whether the Government has allocated funds for the development of Ayad river;
- (b) if so, the details thereof along with the item-wise details of the funds spent so far; and
- (c) the details of the works being undertaken for the beautification of Ayad river in Udaipur along with the time by which the said work is likely to be completed?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE (DR. MAHESH SHARMA)

(a) to (c) A project proposal for "Abatement of pollution, river flow channelization and river front beautification of Ayad River in Udaipur" was received in May, 2015 from Rajasthan Urban Infrastructure Finance Development Corporation Limited (RUIFDCO), for its consideration under National River Conservation Plan (NRCP). The proposal was sent to the Ministry of Water Resources, River Development & Ganga Rejuvenation on 4th September, 2015 for consideration, as river Ayad falls in the Ganga River Basin. Therefore, this Ministry could not consider the project proposal for allocating funds for the Conservation and Rejuvenation of Ayad River at Udaipur in Rajasthan under NRCP.
