(डा. हर्ष वर्धन)

(a) The Ministry of Science & Technology does not implement any centrally sponsored scheme and do not have any provision for making States/ UTs/District wise target, allocation and release of funds to Science & Technology Schemes/ Projects. Ministry supports extramural Research and Development projects to individual entities for doing R&D in Science & Technology including fundamental research. The projects are supported through competitive research grant mechanism.

(b) to (d): Do not arise.
