Ballot Results of Notices of Questions on Lok Sabha Website

Members are informed that Ballot results of Notices of Questions (both Starred and Unstarred) are available on the Lok Sabha website. Since the information has been put under limited circulation, a login page has been created for the purpose which can be accessed through the following path:

loksabha.nic.in → Questions → Ballot List

Guidelines to use this facility:

For the convenience of the Members, a dropdown list of names of Members participating in the Ballot has been created against the „**User id**“ box. Members can just click in the box and select their names as „**User id**“. For the **Password**, the IC number of the Members has been preset in three digits. If the IC number of a Member is in single or the double digit, Zero (0) digit is accordingly required to be prefixed to make up the total of three. For example, if the IC number is „1“ or „11“, the same is required to be entered as „001“ or „011“ respectively as Password. Finally, a randomly generated **captcha number** has to be entered before the „**Submit**“ command is given to access the desired information.

Hard copies of Ballot results are also available in the Parliamentary Notice Office (PNO) of Lok Sabha.
