SYNOPSIS OF DEBATES (Proceedings other than Questions & Answers)

Monday, August 6, 2018 / Shravana 15, 1940 (Saka)

REFERENCE BY SPEAKER

Re: 73rd Anniversary of the dropping of atom bombs on the Japanese cities of Hiroshima and Nagasaki on 6th and 9th August, respectively.

HON. SPEAKER: Hon. Members, you may recall that 73 years ago, atom bombs were dropped on Hiroshima and Nagasaki on 6 and 9 August, 1945 respectively, which wreaked havoc of unimaginable dimensions. This catastrophe resulted in death of thousands of innocent persons including women and children and millions were injured and crippled for life. They have been through enormous pain all these years.

Today, even after 73 years, the innocent residents of Hiroshima and Nagasaki continue to suffer from the dreadful aftereffects of nuclear radiations. India has always had unflinching faith in and commitment to its long cherished principles of non-violence, peace and brotherhood. We have always pioneered the cause of world peace and stability. India has always endeavoured to attain the ideal of '*Sarve Bhawantu Sukhinah*'.

Let us on this occasion, reaffirm our resolve to strive for the elimination of weapons of mass destruction and to work together for the propagation of peace and brotherhood. Let us pray:

Om Sarvesham Swastirbhavatu
Sarvesham Shantirbhavatu.
Sarvesham Poornam Bhavatu
Sarvesham Mangalam Bhavatu.
Om Shantih Shantih Shantih.

The Members then stood in silence for a short while.
