## Tabling of Notices Under Rule 377

It has been observed that sometimes notices tabled by Hon'ble Members under Rule 377 of Rules of Procedure and Conduct of Business in Lok Sabha are not in line with the provisions of the Rule stipulated for the purpose.

The prominent inconsistencies identified in such notices and the rule position in this regard are as follows:-

(1) **Notices containing more than one issue which is prohibited under Rule 377A(iv).**

Members are requested to give notice on any one issue within the jurisdiction of the Union Government. If a notice contains more than one issue, the first issue appearing in the notice shall be taken up for examination and the subsequent issue(s) will not be taken into consideration.

(2) **Laying a matter in the House which is different from the approved text.**

In this regard, it is stated that Rule 377C(2) of Rules of Procedure and Conduct of Business in Lok Sabha states that "Only the text approved by the Speaker shall go on record." Hence, whenever a Member is permitted to lay a matter under Rule 377 in the House, only the approved text shall go on record even though the member has actually **laid** a different matter in the House.

(3) **Not providing full text of the matter in the notice or merely mentioning on the body of the notice that the text shall be provided later causes delays in examination/processing of such notices.**

In this regard, it is stated that Rule 377 requires a member to specify clearly and precisely the text of the matter to be raised. Therefore, whenever a notice is not accompanied by text of the matter intended to be raised or contains only a few words, the notice shall **not** be taken up for examination/processing.

(4) **Giving notice on one subject and later requesting for change of the subject of the notice on the day on which the notice is listed in the House.**

Members are informed that once the notice on a subject submitted under Rule 377 has been listed in the House on a particular day, the request to change the text of the notice shall not be entertained.

**(5) Submitting notice already raised/laid in the same session.**

Rule 377A(ii) states that in order that a notice may be admissible it shall *inter alia* satisfy the following condition:-

*"it shall not relate to a matter which has been discussed in the same session or which is substantially identical to the matter already raised by a member under this rule during the session."*

Members are requested not to give notice on a subject already raised/laid by them in the House in the same session. If a notice is repeated during the same session, it shall not be permitted to be raised/laid and the notice shall get lapsed.

Kind cooperation of Members is solicited.

-----

**Correction of Speeches by Members**

As a measure of safety in view of the prevailing COVID-19 pandemic, it has been decided to do away with the practice of circulation of computerized copy of every speech delivered or questions asked by Members on the floor of the House and answers given thereto for confirmation and correction of inaccuracies, if any, which might have occurred in the process of reporting. Now, for this purpose, Members can access their speeches from Lok Sabha Website <http://loksabha.nic.in>, under "Uncorrected Debates" of a particular day and print them for making legible corrections in ink, if any, and then send the signed scanned copy of the same to the Editorial Branch by email at : [editorial.ls@sansad.nic.in](mailto:editorial.ls@sansad.nic.in).

ONLY minor corrections, namely, those in respect of grammatical errors, misreporting of quotations, figures, names etc. are permissible. Improvement of literary form or altering substance by additions, copious substitution or deletions will NOT be acceptable. Hon. Members including Hon. Ministers are, therefore, requested to make only the said permissible corrections to ensure their correct incorporation in the final edited version of Debates.

It will not be possible to accept corrections suggested beyond the said permissible limits or those that are not legible.

As the proceedings are uploaded on Lok Sabha Website, which is a time bound procedure, the above provisions will be followed strictly.

Kind co-operation of the Hon'ble Members is solicited.

The copyright of Lok Sabha Debates vests in the Hon. Speaker. As such permission of Hon. Speaker is required for reproduction of any material from the Lok Sabha Debates under the Copyright Act.
