No. 7075

Table Office (B)

Turning off the head phones in Lok Sabha Chamber by members

The volume of the headphones provided at the seats of members in the House, if not turned down when not in use, create disturbance in the House, as the voice of the member who is speaking in the House or that of the Interpreter who is translating the member's speech, is also simultaneously heard through them. With a view to improving the audibility of speeches in the House and to prevent such disturbance, members are requested to turn down the volume of their headphones to the minimum using the volume push button immediately after use.
