D.O No. 1/9/2021-NeVA

August 8, 2023

Dear Sh. N. Rangaswamy Ji,

As you are aware all the Legislatures in the country are on the path of becoming paperless by adopting National e-Vidhan Application (NeVA), a project for digitalisation of the Legislatures, implemented by the Ministry of Parliamentary Affairs (MoPA).

As of now, 22 State/UT Legislatures have already signed MoUs with MoPA for the implementation of NeVA, out of which, 10 State Legislatures have already gone Live on NeVA platform after receiving necessary funding for the end to end digitalization of their Legislatures.

As per current status of NeVA implementation in Puducherry Assembly, the project was sanctioned on 2nd Sep, 2022 and 1st instalment of funds amounting to Rs. 1,70,11,650/- was released way back on 4th Oct, 2022. However, there has been considerable delays in procurement and installation of hardware and a lot of time has elapsed since the release of 1st instalment. I shall therefore be grateful if you could kindly review the status of implementation of the NeVA project in your Assembly and expedite its implementation at the earliest.

With regards,

Yours sincerely

(Pralhad Joshi)

Sh. N. Rangaswamy,
Hon'ble Chief Minister,
Government of Puducherry.
