## **FOREWARD**

A Legislature is an assemblage of those chosen few who enjoy the majority support of people in their respective constituencies. They are sent to the August House to represent the cause of masses, secure fundamental freedom, inspire social change, and to ensure that every voice is heard. The people, therefore, deserve to know who the guardians of their rights are.

Through this edition of the WHO's WHO of Members of 16th Punjab Vidhan Sabha, I gladly present to the readers, all the vital information about their representatives, whom they have given a mandate to fulfill their aspirations.

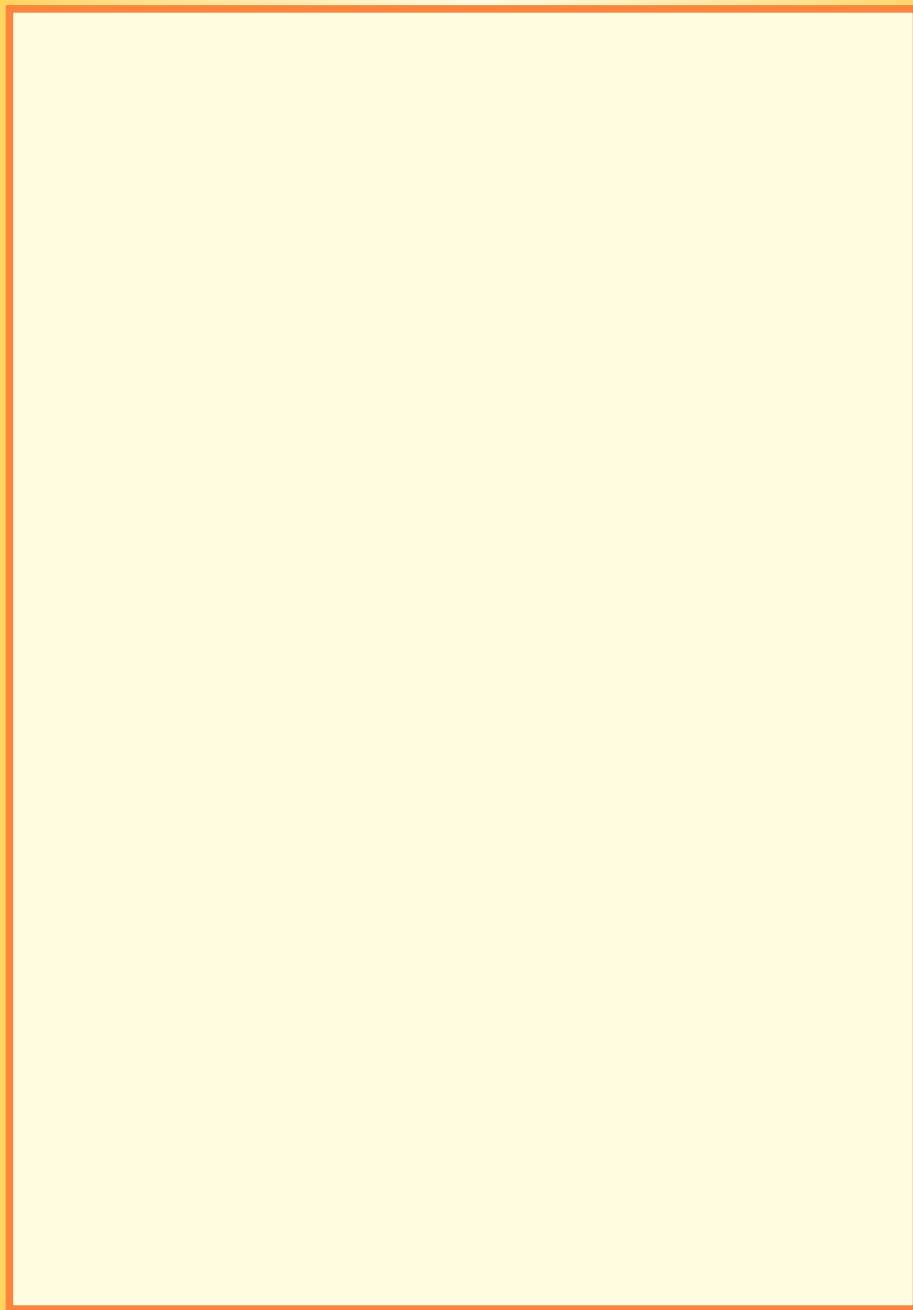

I also place on record the efforts of all the staff members of Punjab Vidhan Sabha Secretariat who helped to compile this voluminous manual from the useful feeds given by the Hon'ble Members. The manual contains concise profiles of all the elected Members, alongside Electoral Statistics of their respective Assembly Constituencies.
