"That under Rule 13(2) of the Tamil Nadu Legislative Assembly Rules, the discussion on the Motion of Thanks to the Governor's Address be postponed and that the Government Resolution to be moved today will be taken up for discussion."

V. GOVERNMENT RESOLUTION

Hon. Thiru. C. Joseph Vijay, **Chief Minister** will move:-

"This August House records its strong objection to the unilateral attempt of the Government of Karnataka to construct a dam across the Cauvery River at Mekedatu, without respecting the Final Award of the Cauvery Water Disputes Tribunal dated 5.2.2007 and the Judgment of the Hon'ble Supreme Court dated 16.2.2018, without obtaining the concurrence of the concerned basin States, and without securing any approval from the Union Government. Such an action is not at all acceptable.

This August House urges the Union Government not to grant any form of approval, including technical and environmental clearances, to the Mekedatu Dam Project proposed by the Government of Karnataka.

The Cauvery Water Disputes Tribunal and the Hon'ble Supreme Court have observed that the Cauvery Basin is a deficit basin and that the total available water in the basin has already been apportioned among the basin States. Therefore, no new project can be undertaken in the Cauvery Basin, nor can any additional quantity of water be utilized. The Cauvery issue is a highly sensitive matter between Tamil Nadu and Karnataka. Therefore, this August House urges the Union Government to advise the Government of Karnataka not to undertake the construction of a dam or any new water storage project at Mekedatu or at any other location in the Cauvery Basin without the concurrence of the other basin States and without the approval of the Union Government.

This August House further urges the Central Water Commission not to examine, process, or grant approval to the Detailed Project Report submitted by the Government of Karnataka.

This August House unanimously expresses its support for all measures undertaken by the Government of Tamil Nadu to prevent this attempt by the Government of Karnataka so as to safeguard the interests of the farmers of Tamil Nadu."
